# Lifestyle

At Hallam, the leisure and lifestyle program provides innovative, creative, interest-based programs for groups and individuals. Participation is, of course, voluntary, and most programs are open to those residents who choose to attend.

Regular coach outings are planned, and include space on each trip for residents who require a wheelchair. Hallam also maintains close links with the community, and arranges regular visits from community groups, entertainers and special guests to attend the facility.

At Hallam there are no set visiting hours. You can invite friends and family to visit whenever it suits, just as if you were in your own home. Your room isn't the only place where you can entertain your guests. There are also other indoor and outdoor areas pleasantly appointed for you and your guests to relax in.
