

Be our Guest

Come and stay over with us for a week and you won't want to leave. Whether you're currently in a hospital awaiting placement, or at home with home-based care, we think you'll agree that Cosgrove Park can offer you the best solution.

We can offer a range of care for the aged including both low and high care on a permanent or respite basis – in a pleasant, relaxing environment that helps to create a sense of wellbeing.

Our staff pride themselves on their genuine dedication to delivering the highest standard of care and service. Registered nurses oversee care 24 hours a day, every day. Our attitude is one of respect and sensitivity towards every Cosgrove Park resident.

Our residents receive the attention they require in a timely, respectful and caring manner. We are committed to optimal staff/resident ratios, so our staff can continue to provide quality care.

Cosgrove Park encourages you to remain under your own doctor. However, if your doctor is unable to visit, we can provide you with details of caring doctors/specialists who offer their services at Cosgrove Park.

Lifestyle

At Cosgrove Park, the activities program provides innovative, creative, interest-based programs for groups and individuals. Participation is, of course, voluntary, and most programs are open to those residents who choose to attend.

Regular coach outings are planned, and include space on each trip for residents who require a wheelchair. Cosgrove Park also maintains close links with the community, and arranges regular visits from community groups, entertainers and special guests.

At Cosgrove Park there are no set visiting hours. You can invite friends and family to visit whenever it suits, just as if you were in your own home. Your room isn't the only place where you can entertain your guests.
