

CENTRAL PARK

RESIDENTIAL CARE FACILITY

Aged Care Information Evening

The team at Central Park Residential Care invite you, your friends and family to attend an aged care information evening.

Discussing the aged care process, costs and a Q&A session, you'll leave armed with general aged care knowledge, should you have the need.

Alzheimer's Australia will follow with a presentation on their brain health program, **Your Brain Matters™**. You will gain knowledge on:

- Key functions of the brain
- Dementia
- Dementia risk factors
- Brain, Body and heart strategies for dementia prevention

You will also have the opportunity to tour the brand new Skyline Floor at Central Park Residential Care. This is a complimentary event, with drinks and canapes provided.
