# TREVU HOUSE

Residential Aged Care

## Quality Aged Care for your loved one.

The newly renovated Trevu at Gawler will provide an additional 23 residential aged care places in beautifully appointed accommodation, providing a home for 68 residents.

Built in 1866, far from evoking the windswept Cornish landscape of its namesake, Trevu – with its position high on the hill, inspires calm with its tranquil surrounds.

Preserving the look of the site and its many heritage listed features has been of paramount importance.

Thoughtful touches abound, capturing the history and elegance of the building. The bright and airy facility features a shady and spacious veranda with views over manicured gardens that is simply perfect for relaxing on with loved ones.

A safe and secure facility, located at the gateway to the Barossa, Trevu is a part of the local community and friends and family are welcome to visit at any time.
